WELCOME!

WHY DO I LIVE HERE, in this wonderful community?

For me, it's called hometown pride. I was raised here, my family lives here and my friends are here—I still socialize with my high school friends. I love that I am close to a few airports, walking paths, great food. I love the change of seasons we see throughout the year. And, most of all, I love my career highlighting business in the area.

But why do you live here, and where do you bring friends and family when they visit? There are many reasons and places, to be sure.

Richmond and Spring Grove are perfect meeting spots between Chicago (68 miles), Milwaukee, Wisconsin (64 miles), and Madison, Wisconsin (82 miles).

Like to take friends horseback riding? We have that!

Want to brag you walked to Wisconsin? You can! Park in downtown Richmond and walk to Wisconsin on the Prairie Trail path—just to say you did it.

Perhaps you love nature. It is a thing of beauty to see the Sandhill Cranes migrating through our area to Mexico from Canada in November and in March when they return.

Our villages are also the perfect stopping points to welcome travelers, ready to stretch their legs and buy coffee or candy before getting to the large resort town of Lake Geneva, Wisconsin. Spring Grove is home to one of the most breathtaking 4th of July community parades and fireworks displays in the area. Richmond has the charming Downtown Fall Wine Walk in September, and tourists come from all over to enjoy the fall festivals at local farms and apple orchards.

Our villages are also wonderful gathering and connecting places for us. I like that we have small-town living just a train ride away from the big city. The food here is outstanding. We can find everything from a burger and a beer in a dive bar to the most spectacular fine-dining experience. Music is all around us, from outdoor concerts to little clubs. Fishing and swimming, golfing, shopping and family picnics are regular activities. We restore our health by visiting the Chain of Lakes and many smaller lakes and streams, great for fishing, boating and skiing. Close by we have mountains for downhill skiing and terrain for cross-country skiing. We have every convenience—big box stores, as well as indoor and outdoor malls nearby—and we have the charms of local farmers selling their garden bounty direct to us at their farm stands, and shop owners who know our names and call us to say, “I got something in today, you may want to stop in.”

Venture away from all this, and you will think, “I can’t wait to come back home.”

CELEBRATING 25 YEARS!
LOOKING BACK ON THE FOUNDBING OF THE RICHMOND-SPRING GROVE CHAMBER OF COMMERCE

HOW DID THE CHAMBER of Commerce come to be?

The name Nippersink Area Chamber of Commerce was a consideration at the first meeting held Aug. 6, 1993, at Andres Steak House in Richmond, Illinois. The Nippersink flows through both communities, but according to the minutes, the votes unanimously determined the name to be The Greater Richmond-Spring Grove Area Chamber of Commerce.

David Kiepinski and 12 others had a vision to support companies and educate business owners and most importantly change the economic development of the area for businesses and residents. With the guidance and mentoring from the newest chamber and the oldest chambers in the area, Huntley and Harvard, they put together plans to create a mission statement and hosted events like the Expo, Golf Outing, Wander Walk and networking. Supporting our future by funding scholarships began in the early days and continues to be a priority for the Board of Directors today.

In just two weeks the membership was 21! By October 5, membership increased to 66. Non-for-profits and community groups started to join also.

The business owners in the area were hungry for a voice, and they found it in the Chamber. The larger corporations in the zip codes joined to help make a difference; the smaller stores and restaurants joined to meet other business owners. Everyone was proud to be a part of something bigger. Businesses proudly displayed their plaques and window decals, as they do today.

At one time, the Chamber rented space inside Memorial Hall from the City of Richmond. Today we rent an office from Associated Bank. We support just over 200 members and last year we hosted seven signature events. We offer monthly networking events as well as opportunities to be on a committee.

Twenty-five years later and the Richmond-Spring Grove Chamber of Commerce is going strong!
JOIN THE RICHMOND-SPRING GROVE
CHAMBER OF COMMERCE!

THE RICHMOND-SPRING GROVE Chamber of Commerce is dedicated to providing a favorable business climate by acting as a vehicle to promote the area’s economic progress. The Chamber works to support the development of the business community and to promote the quality of life for those who live and work in the area.

The Chamber strives to get people together, have fun and create opportunities to form business relationships that encourage, facilitate and promote business growth.

MISSION PILLARS:

Grow
To have an increasing influence
The purpose of the Chamber is to help influence and strengthen the community. Helping businesses grow and become more successful, in turn, helps other businesses grow and makes the community more desirable.

Support
To promote the interests and causes
The Chamber has a new website that can offer better SEO. This annual publication also will serve to help families choose a new activity this weekend, find a business to patronize or explore one of many natural resources the area has to offer.

Connect
To have or establish a rapport
The Chamber offers a variety of networking opportunities on a monthly basis. These are for established business owners, new business entrepreneurs and those investigating what the Chamber can do for them. Together we can do anything. The newly established ambassadors group will assist members to connect and grow.

THE BENEFITS OF MEMBERSHIP:

Make new business contacts at our Luncheons and Business After Hours Mixers, gatherings that can open doors to lifelong friendships and beneficial business relationships.

Valuable networking opportunities include:

Business Buzz: Meets on the second and fourth Wednesdays at 8:15 a.m.

Entrepreneurial Engagement: Meets on the second and fourth Fridays at 12:30 p.m.

BECOMING A MEMBER IS SIMPLE & AFFORDABLE!

To learn more about who we are, what we do, what we offer—and to start enjoying the benefits of membership now—please visit us at RSGChamber.com or call us at (815) 403-5155.

Business After Hours: Enjoy once a month on Thursdays 5-7 p.m.

Ribbon Cuttings: Please contact the Chamber to schedule.

Lunch and Learns: Scheduled once per month; locations and days vary.

Thank your employees by bringing them to Chamber functions and events.

Contribute through involvement by joining one of the dynamic Chamber committees—there’s a place for everyone! If you are a current member of RSG Chamber consider joining one of these groups:

• Charity Auto Show
• Expo
• Golf Outing
• Trunk or Treat
• Twilight Golf (Night of the Living Dead)
• Wine Walk
• Women of Success speaker series

ENJOY THESE RICHMOND-SPRING GROVE CHAMBER OF COMMERCE EVENTS!

MARCH
Expo: Residents have a tremendous opportunity to connect with many businesses in one location at Richmond-Burton High School. Businesses can showcase their products and services for a very low cost, while meeting hundreds of prospective customers.

JUNE
Night of the Living Divots Golf: You will be wearing glow-in-the-dark gear and hitting glow-in-the-dark balls at Twin Lakes Country Club after a wonderful fish fry dinner and a few drinks. This is a fun night golf experience for those who just want to relax and have a good time. Cocktails and live music to follow.

JULY
Charity Auto Show: The stage is set at Intermatic Parking lot on the corner of Route 12 and Winn Road. The first 200 show cars will receive a dash plaque. There will be people’s choice judging for the top 20 cars as well as Best of Show Trophy. Free admittance for spectators, donations accepted, 2018 charity is local Veterans! This is a family friendly event. Food vendors on site.

AUGUST
Golf outing: Enjoy terrific networking with the Twin Lakes Chamber of Commerce. Get together a foursome, or we can pair you up. This is a great day of networking and golfing. There will be a ball drop by the local fire department, as well as prizes for longest drive, closest to the pin, longest putt from the green and mega putt. Cocktails, dinner, raffles and awards follow golf.

SEPTEMBER
Richmond Wine Walk: Taste wine and enjoy samples of local food in Downtown Richmond. This makes for a great date day, girls’ day or family fun day (21 years and older). More than 10 local businesses will invite you into their shops to sample up to three wines. You can walk, drive or take the free trolley to all the locations. For tickets: richmondwinewalk.com.

OCTOBER
Trunk or Treat: Horse Fair Park in Spring Grove is the perfect location to bring the kids to trick or treat with business owners. No cost—just join the fun! Some neighbors line their driveways to give away treats, too!

RICHMOND, A COMMUNITY that blends old and new, was first settled in 1837 by William McConnell, who spent his first night under an oak tree that still stands today. Incorporated on September 2, 1872, with Dr. Fillmore Bennett, a poet and the first principal of Richmond grade school, elected first village president, Richmond has seen many changes but has never lost its Old World charm.

Standing tall today, Memorial Hall was constructed in 1906 by the grandson of William McConnell and hosts a colorful history of serving as a library, auditorium, and school gymnasium, as well as Village Hall and police department until 1993. The Memorial Hall holds true as the center of the community and a gathering place for a plethora of people and purposes for over 112 years.

With the construction of Route 12 in the 1950s, Richmond was transformed from a sleepy, one-horse village to a boomtown. Dawning the slogan “The Village of Yesteryear,” Richmond embraced its concentrated population of antique stores for a few decades and made a name for itself. Now, however, the village is seeing a new horizon thanks to a few entrepreneurs that noticed the unwavering charm of downtown that seems to be disappearing across America.

Richmond has been put on the map as an up-and-coming restaurant district that hosts a variety of unique, family-owned and local eateries. From sandwiches to fine dining, there is something for everyone. Perfectly polished boutiques have sprung up alongside the lively nightlife scene and this small village is embracing its new identity.

Richmond is proud to have many community-centric events and is always planning on the next one: From the Fire Department’s Cruise Nights to the village-hosted Richmond Retro Night, Bike the Richmond Trail and Christmas of Yesteryear; the American Legion Post 253’s Veteran’s Day and Memorial Day celebrations and Police Department’s participation in the National Night Out community outreach event; not to forget the ambitious block parties, sidewalk sales and live music events our local businesses host.

While the businesses that inhabit downtown Richmond are new, the buildings they inhabit seem frozen in time as well as the immaculately restored and conserved Victorian homes that sprawl throughout Richmond; it surely is an architectural sight to see.

Stepping back from man-made marvels, Richmond is surrounded by scenic farm lands, rolling prairies and is adjacent to Glacial Park, which is the most treasured open space holding of the McHenry County Conservation District. Being the most popular site, the park attracts more than 64,000 guests annually. Prairie Trail, which runs through Glacial Park, is a 26.5 mile nature trail that connects Wisconsin and Illinois. Here and throughout Richmond, there are many enjoyable outdoor activities to participate in like biking, inline skating, fishing, horseback riding, mountain biking, snowmobiling, cross-country skiing or just a nice relaxing walk on a Sunday morning.

Richmond is a unique border town tucked between two great states. Residents and visitors enjoy the village’s small town vibe and the unique offerings that have been cultivated over time. There is so much to see and so much more to look forward to in little Richmond.
VILLAGE OF SPRING GROVE

SPRING GROVE IS A VIBRANT small-town community with lots of family-fun and unique activities for every age and interest!

Spring Grove's hidden gem is Hatchery Park. Built as the first state fish hatchery in 1914, it is now a beautiful, quiet park for anglers and nature lovers alike. The lake and ponds are stocked with a great variety of biting fish, including largemouth bass, walleye, bluegill, crappie, muskie, perch, northern and more! Bring a picnic lunch to eat under the new lakeside cedar pavilion and enjoy the mile-long walking path around the lake. Hatchery Park is also a great place to catch a view of a variety of wildlife, including sandhill cranes, painted and snapping turtles, red fox, muskrat and, yes, even snakes!

Spring Grove is also home to the world's largest corn maze, located on the Richardson Adventure Farm, with miles of trails cut from a unique design each year. The many other activities there include a zip line, train rides, carousel, pig races, petting zoo, gem stone mining, paintball shooting gallery and much more! Private picnic/campfire sites and hayrides are also available. Come back after Thanksgiving and visit their Christmas Tree Farm to make new family memories with wagon rides, hot chocolate and fresh-cut trees. Visit them at richardsonadventurefarm.com.

For the canoe or kayak enthusiast, Lyle Thomas Park is one of four canoe launches/landings along the Nippersink Creek. The Nippersink Creek Canoe Trail is one of the most beautiful meandering canoe trails in Northern Illinois. Lyle Thomas Park is also home to a replica of the first vertical silo ever built, which was invented in Spring Grove in 1873.

People come from miles around to experience Spring Grove's traditional small-town events, including the annual 4th of July festivities with a parade, games, food and fun at Horse Fair Park and evening fireworks display. Speaking of Horse Fair Park, if you love horses, the Spring Grove Horse Show holds horse shows there every summer, where you can watch riders compete in the English/Western Pleasure Show, Hunter Show, Speed Show and Fun & Action Show. Visit their website at springgrovehorseshow.com.

For ball fans, stop by Thelen Family Park or Spring Grove Park, both in the center of town, and cheer on the local sports teams as they compete on several baseball and football fields.

When you're done with all the outdoor activities, be sure to stop by one of the many restaurant venues offering a variety of cuisine, along with comedy shows, gaming and live music! From juicy burgers, brick-oven pizza and authentic Mexican fare, to sandwiches, soups and salads, you can find something for every appetite within an easy half-mile corridor in Spring Grove!

WE’RE PROUD TO BE
SPRING GROVE’S COMMUNITY BANK!

What do we love the most about this community? The people we share it with! That’s why we support the families here, the local businesses and the charitable organizations, too. Beyond providing banking solutions, we also take pride in giving back to the people who work to make this area so great. Why? Because this isn’t just home to us; it’s home to all of us. And, as a true community bank, we know that when we all do our part, we can help make Spring Grove better for everyone.

When Ali Frantti was in high school, she wrote a letter to head coach Russ Rose to tell him she wanted to be on the Penn State women’s volleyball team. Six months later, she made the team’s starting lineup. Ali first discovered—and fell in love with—volleyball in 5th grade.

DR. S. F. BENNETT
Songwriter

Dr. S. F. Bennett settled in Richmond in 1859. From age 23 to 25, he served as public-school principal. He moved to Elkhorn, Wisconsin, but returned to the area in 1871, taking charge of the school for another year. While living in Richmond he became connected with musical composer J. P. Webster. As the story goes, someone was in “a mood;” when asked what was the matter, the response was, “I will be alright ‘In the Sweet By and By’.” Bennett, moved at that moment, collaborated with Webster to write the lyrics and music to the hymn “Sweet By and By”—in less than 30 minutes, working on it at a corner shop in Richmond. The hymn has been translated into many languages.

NIPERSINK PUBLIC LIBRARY DISTRICT
Nippersink Public Library District on Hill Road opened October 22, 1990, moving from Memorial Hall in Richmond, which had been its home for 18 years. This 9,000-square-foot Prairie-style building grew to 18,000 square feet when the second-floor addition was built in 1996. The Library is tax-supported and serves approximately 11,188 people in Richmond and Burton townships. It is a member of the Reaching Across Illinois Library System (RAILS).

Library Director Cynthia Cole leads a staff of two full-time and 12 part-time employees who manage the library’s collection of books, newspaper and magazine titles, DVDs, music CDs and books on CD. The library offers internet access, and access to a variety of resources including the library’s online catalog, downloadable e-books and e-audio titles, and several databases.

Reference and Reader’s Advisory Services are available all hours the library is open. The library is part of the Northern Illinois Consortium (NIC), an online consortium of seven public libraries. Materials not owned by the library can be obtained through NIC and other Interlibrary Loan services.

Programming is conducted throughout the year including story hour for preschoolers and the annual Summer Reading program. A 99-person capacity meeting room, with kitchen facilities, is used by service and civic groups and is available to all community groups. Smaller meeting rooms are also available.

The Conservation District is a county-wide public agency created in 1971 through a voter referendum.

Promoting Conservation, Education and Recreation, the McHenry County Conservation District manages over 25,500 acres of open space graced with woodlands, prairies, wetlands and savannas. In addition, within the district's sites there are 17 dedicated State Nature Preserves. Thirty-four sites are open to the public to enjoy hiking, biking, fishing, canoeing, picnicking, nature viewing, camping, cross-country skiing and snowmobiling. Environmental education programs for all ages are offered throughout the year.

Glacial Park has long been considered one of the jewels of the county's open space holdings, characterized by its rolling prairie, wetlands, delta kames, oak savanna and the tranquil presence of Nippersink Creek. Encompassing 3,412 acres, Glacial Park supports 9 miles of snowmobile trails, 5 miles of hiking trails, and 4-plus miles of horse trails; it also contains a 5-mile segment of the regional Prairie Trail and offers canoeing and fishing in Nippersink Creek. The park contains over 400 acres of dedicated nature preserve, harbors 18 state listed endangered and threatened species, and is listed as one of the top five areas to view migratory wetland birds in the region. The park is also home to the Lost Valley Visitor Center and sits within the boundaries of Hackmatack National Wildlife Refuge.

The Prairie Trail, a former railroad bed, runs 26.6 miles from the Kane County line in Algonquin to the Wisconsin state line. The trail links eight McHenry County communities and connects to the 6.3-mile Hebron Trail on the north end and Kane County's trail system on the south.

The Lyle C. Thomas Park and Nippersink Canoe Base are popular takeout points for canoeists using Nippersink Creek, as well as quiet fishing spots.

At 345 acres, the Elizabeth Lake Nature Preserve Varga Archaeological Site combines cultural preservation with recreational opportunities. The site offers 1.7 miles of hiking trails and a boardwalk lookout for birdwatching and nature viewing.

Within the 521-acre North Branch nature preserve is a 1.5-mile multipurpose trail that winds through prairie and savanna, over Nippersink Creek, and links the Prairie Trail to the Hebron Trail. Hiking, biking, horseback riding and snowmobiling opportunities exist as well as access to picnicking, wildlife observation, and overnight camping for cyclists (permit required).
CHAIN O’LAKES STATE PARK
8916 Wilmot Road, Spring Grove, IL 60081
(847) 587-5512

LOCATED IN THE HEART of Illinois’ largest concentration of natural lakes, Chain O’Lakes State Park is a water-oriented recreation area with outstanding opportunities for boaters, anglers and skiers. The park borders three natural lakes—Grass, Marie and Nippersink—and the Fox River that connects the other seven lakes (Bluff, Fox, Pistakee, Channel, Petite, Catherine and Redhead) that make up the chain. In addition, the park contains a 44-acre lake within its boundaries.

The 2,793-acre state park with adjoining 3,230-acre conservation area and nearly 6,500 acres of water offers activities which include picnicking, nature walks on trails, horse rental, camping, boating, fishing and winter sports. Facilities for disabled or elderly visitors are available, including a quarter-mile hiking trail.

FIRE DEPARTMENTS

RICHMOND TOWNSHIP FIRE PROTECTION DISTRICT
5601 Hunter Drive, Richmond, IL 60071
Chief: Rick Gallas
(815) 678-3672 | rtfpd.com

The Richmond Fire Protection District began in February 1926 as a volunteer fire department. The department is classified as a combination department comprised of career and paid-on-call members. The fire station is staffed 24/7/365 with Illinois licensed Firefighters/Paramedics, and houses two fire engines, one 3,500-gallon tanker truck; one grass truck Humvee; one wildland ATV; one BLS, off-road Humvee; two advanced life-support ambulances; one shift commander response vehicle; one chief’s response vehicle; and two utility vehicles. The department is comprised of 35 members who respond to 700-plus emergency fire/EMS calls per year.

Richmond Fire provides the highest level of emergency response service possible for its district residents. To that end, in 2018 the fire district changed its Medical Control from Centegra EMS system to Mercyhealth EMS system. This raised the skill levels of the department’s paramedics and EMTs and now brings more skills and tools directly to the emergent patient earlier in the emergent cycle, to enhance patient outcome. This change also brings the MD-1 program into the Richmond fire district. Richmond Fire is now able to call for a doctor assist while enroute to a scene, for more serious calls such as high-impact traumas and cardiac arrests. Having a doctor assisting Richmond with these more serious patients is a difference-maker when it comes to saving lives.

The fire district also sponsors the Richmond Township Community Emergency Response Team (CERT). CERT is a training program that prepares you to help yourself, your family and your neighbors in the event of a disaster. By getting trained in CERT, you will have the skills to help emergency responders save lives. CERT is an integral part of Citizen Corps, the grassroots movement that actively involves everyone in making our communities and our nation safer, stronger and better prepared. Applications for membership into Richmond Township CERT are available at the Richmond fire station. The CERT team meets and trains once per month and supports the Richmond Township Fire Protection District by providing REHAB support on all structure fires and major incidents. Richmond Township CERT welcomes new membership applications from the Richmond, Spring Grove, Hebron, Wonder Lake, Johnsburg and Ringwood areas. For information and the CERT team application, visit rtfpd.com.

The Richmond Firefighter’s Association, another separate organization from the fire district, is comprised of department members. The association raises money through various fundraising events to purchase equipment and other items, which are then donated back to the Fire District. The association’s main fundraising event takes place annually on the second Sunday of October. The Richmond’s Associated Firefighters Fall Fifty (AFFF) bike ride includes routes of 62, 50, 36, 25 and 20 miles. A community open house is also coordinated with the CERT team and features a pig roast. For more information and registration visit afffbikeride.org.

SPRING GROVE FIRE PROTECTION DISTRICT
8214 Richardson Road, Spring Grove, IL 60081
Chief: Rich Tobiasz
(815) 675-2450 | www.springgrovefire.com

The Spring Grove Fire Protection District began as a volunteer department following the Bertha Norton fire in 1925. Barney Orvis was instrumental in raising funds to purchase a used fire engine which would ultimately be stored at the garage to be built on the site of her fire (Main St. east of Blivin).

Another major fire occurred on New Year’s Eve 1939. After the town’s second major fire in 1939, funds were raised and a local referendum passed, permitting the development of the Burton-Richmond Fire Protection District.

In 1947 the District acquired land and built its first fire station. That building would eventually become the Spring Grove Village Hall and Police Department (the jail was in the basement) and now is occupied as a car repair garage.

In 1981 the District underwent three major changes. It constructed a new fire station, established its own ambulance service, and changed its name to the Spring Grove Fire Protection District. At the time, the Board felt that the new name better reflected its location in a growing Spring Grove.

Today the District operates from the one station on Richardson Road. It is located in the center of the 23-plus-square-mile district. With the addition completed in 2005, the station now houses sleeping quarters for its 24/7 staff. Firefighters, paramedics and EMTs respond to both fire and EMS calls from this location.

On average, the crews respond to over 700 calls per year, with 70 percent being EMS related. Two Advanced Life Support Ambulances, staffed by Paramedics and EMTs, transport patients to nearby hospitals. Fire calls, including structure, car, brush, and mutual aid to other towns, make up most of the remaining 30 percent.

The District operates a Fire Prevention Bureau which provides public fire education and offers monthly CPR classes through the American Heart Association (AHA).

Two other entities are connected to the District. The Explorer Program (Post 1800) allows young people (15-21) to explore the possibilities of becoming a firefighter/EMS provider. The second entity is the Spring Grove Firefighter’s Association. A 501C3 charitable organization run by the firefighters, this group, though technically separate from the District, helps raise funds for education and equipment to benefit the District.
